

Leader  
Use case  
Integration partner  
in IoT and Cloud Continuum  
projects

# 7bulls.com Group

We create, integrate and deploy software

-  150 staff members
-  two offices: Warsaw, Torun
-  strong growth: 25% per year on average
-  pure self-service revenue stream
-  certified R&D organisation in Poland & France
-  participation in EU Projects

# What we will do

We will deliver an **end-to-end, modular, adaptable, cross-domain and cross-sector solution** to manage hyper-distributed applications across available **IoT, edge, datacenter and cloud resources**, ensuring an always-optimal deployment, employing decentralised artificial intelligence tools in the process, joining data producers with data consumers.
